About Us

Soldiers' Angels was started after the tragic events of 9/11 with the hope of showing support for the brave men and women of the United States Armed Forces who fearlessly defend our nation. Over the past 14 years, the organization has evolved into a national 501(c)(3) nonprofit that is honored with the highest recognitions from the Better Business Bureau, Charity Navigator, Great Nonprofits, and GuideStar.

With twelve virtual teams, a growing "boots-on-the-ground" Veteran Support Program, and the largest volunteer network of any charity of its kind in the country, Soldiers' Angels has become a household name within the military and veteran community.

Mission

Soldiers' Angels provides aid and comfort to the men and women of the United States Army, Marines, Navy, Air Force, Coast Guard, their families and a growing veteran population.

Thousands of Soldiers' Angels "Angel" volunteers assist veterans, wounded heroes, deployed personnel and their families in a variety of unique and effective ways.

Legacy

Soldiers' Angels was founded in 2003 by the mother of two American soldiers, Patti Patton-Bader. Through a grassroots effort, Patti rallied her friends and neighbors to support the troops in Iraq by sending care packages and letters. Her efforts grew exponentially and now, fourteen years later, the organization has the largest volunteer network of any charity of its kind in the country.

Vision

Our organization works tirelessly to ensure that those who are serving, those who have served, and the families of those service members are never forgotten.

May no soldier go unloved,
May no soldier walk alone,
May no soldier be forgotten,
Until they all come home.™

Letter From LEADERSHIP

Dear Soldiers' Angels Supporters,

As we reflect on another successful year of the organization, we are both reminded of a quote by Ralph Waldo Emerson:

**“DO NOT GO WHERE THE PATH MAY LEAD,
GO INSTEAD WHERE THERE IS NO PATH AND LEAVE A TRAIL.”**

When we took our respective positions at Soldiers' Angels back in 2013, there was a clear path for this organization that heavily supported deployed service members. The drawdown of troops from Afghanistan was in process—however, there were still tens of thousands of combat deployed service members who relied on the support they received from our programs and services.

As time continued to pass and the withdrawal of troops from combat zones continued, the scales came to a tipping point. Suddenly, there were more veterans, veteran families, and wounded heroes requesting support than there were deployed service members. How could we continue on our current path while also taking into account the ever-growing number of stateside veterans?

Our work throughout 2016 blazed the new trail that would allow us to do just that. Through our Hunger Relief Program, we focused on providing food assistance to more than four times as many low income veteran families as we did in 2015. With the help of many of our corporate partners, we doubled the amount of hygiene kits and blankets we provided for homeless veterans and veteran patients. The total number of hours we provided support within VA Hospitals and Medical Centers across the country grew by 442%, allowing us to provide even more direct assistance.

As this new path continues to come into focus, our dedication to supporting deployed service members has never wavered. In 2016 alone, we still provided over 217,046 deployed service members with support in the form of care packages, letters, cards, baked goods, baby showers, holiday support and more.

The landscape of the military and veteran community will continue to change with time. We must maintain our flexibility to change with the community so that we may provide the best possible support to these brave men, women, and their families.

Thank you for your continued support.

SPOTLIGHT

VETERAN MOBILE FOOD DISTRIBUTION

Started in September 2015 at the Soldiers' Angels headquarters in San Antonio, Texas, the Veteran Mobile Food Distribution program grew exponentially in 2016. Working with local food banks across the country, the program spread to: Charleston, South Carolina; Denver, Colorado; and Detroit, Michigan. In total, the program **provided food assistance to 10,000+ veterans nationwide.**

TREATS FOR TROOPS

Teaming up with Dentists and Orthodontists across the country, the annual **Treats for Troops Halloween candy collection drive grew by 567%** from the previous year! Soldiers' Angels shipped thousands of pounds of Halloween candy to deployed service members and veterans in VA Hospitals to help them get a small, but sweet, taste of home.

HOLIDAY STOCKINGS

Soldiers' Angels was blown away by the outpouring of support it received for the 2016 Holiday Community Partners Program! Initially, the goal was to collect 4,500 stuffed holiday stockings to ship to deployed service members and distribute to veterans in VA Hospitals. But with the help of individuals, groups, and businesses across the country, we were able to surpass that goal and collect over **10,269 stuffed holiday stockings!**

ADOPT-A-FAMILY

The annual Holiday Adopt-A-Family Program has seen steady growth year-to-year and 2016 was no exception. The program **adopted 1,056 military families and provided holiday gifts for 2,894 military children!** A 62% increase from 2015.

GIRL SCOUT COOKIES

Girl Scouts across the country collected and donated thousands of boxes of delicious cookies for service members and veterans. The continued partnership with the Girl Scouts of the United States of America provided **205,228 boxes of cookies** that were shipped to deployed service members and distributed to veterans in VA Hospitals.

BOOKS-A-MILLION COFFEE

For the past four years, Books-A-Million has teamed up with Soldiers' Angels for the *Coffee for the Troops* campaign. Books-A-Million customers purchase bags of Joe Mugs coffee to donate and can even include a personalized message. Books-A-Million also provides a matching donation of coffee. This huge campaign, which runs twice per year, yields tens of thousands of bags of coffee that Soldiers' Angels redistributes to military bases, deployed service members, and veterans. **Last year 173,412 bags of coffee were donated to Soldiers' Angels, thanks to Books-A-Million.**

TRAIL'S END POPCORN

Thanks to a partnership with Trail's End Popcorn and the Boy Scouts of America, service members and veterans around the world can enjoy some tasty Trail's End popcorn! The continued partnership yielded **551,000 bags of popcorn** which were redistributed to military bases, naval ships, submarines, VA Hospitals, and even the homecoming celebration of the USS Dwight Eisenhower.

MAY NO SOLDIER GO UNLOVED

The brave men and women that serve in our military do so selflessly. They go without the comforts of civilian life that most take for granted. Imagine their excitement when they receive a package stuffed with delicious Girl Scout Cookies, tasty Trail's End Popcorn, or even something as simple as a bag of Joe Muggs coffee! The gesture of providing service members with these items may seem small, but it has a profound impact on their morale.

"THANK YOU SO MUCH FOR ALL OF THE COFFEE. THE BASE I AM DEPLOYED TO HAS A USO TENT. I VOLUNTEER THERE A FEW HOURS PER WEEK. THEY ALWAYS HAVE A POT OF BREWED COFFEE AND A LOT OF FOLKS COME IN FOR COFFEE AND COMPANY. YOUR DONATION WILL BE PUT TO GOOD USE. PLEASE PASS OUR THANKS ON TO BOOKS-A-MILLION. WE SURELY APPRECIATE ALL OF THE SUPPORT WE GET FROM HOME."

MAY NO SOLDIER WALK ALONE

Veterans of all eras are supported through the many Soldiers' Angels Veteran Support Programs. From visiting patients in VA Hospitals across the country to providing monthly food assistance to low-income veteran families, the Veteran Support Program is designed to make sure no veteran walks alone.

MAY NO SOLDIER BE FORGOTTEN

Soldiers' Angels "Angel" volunteers work tirelessly to make sure that none of our service members, veterans, or military families are forgotten. Although one page of photos does not do justice to all of the great things our volunteers do, it does display the many ways in which our volunteers actively participate in our programs.

From there, the family's relationship with him turned into 10+ years of friendship and continuing support through four deployments. In May 2016, the Simonetty family traveled to Fort Drum in New York to greet their pen pal and welcome him home from his most recent deployment.

"THANK YOU, SOLDIERS' ANGELS, FOR CONNECTING OUR FAMILIES! WELCOME HOME, SOLDIER!!!"
